Preference is given to families who were enrolled in our pre school and/or attended the Kiddie Camp during the summer of 2009.*

**PHILOSOPHY:** We want our campers to be active participants, learn new skills, have a sense of belonging & security and to acquire confidence and self-esteem. We also believe in the importance of special friendships and memorable times - at Sharon Country Day, "We Are Family."

**PROGRAM:** These young campers are exposed to, and participate in, a wide variety of activities, geared specifically to their age and capabilities including: swimming, arts & crafts, music, dance, games & relays, Audubon Arc, Native American, gymnastics, & beginning skill development in soccer, t ball, kickball, basketball, & newcombe.

**DAILY RED CROSS INSTRUCTIONAL SWIM:** The children are taught by our Red Cross Certified Waterfront Safety Instructors and Lifeguards, who are supervised by Stuart Hershman, the Waterfront Director. The swimming area is very safe with a sandy bottom and designated for beginner & non swimmers. There are Red Cross swim instructors, Lifeguards, and Kiddie Camp staff present at all times with the children during their swim.

**GENERAL SWIM** (Full Day children) A fun, non instructional swimming period, supervised by Red Cross Instructors/Lifeguards & Kiddie Camp Staff, in a separate area for beginners/non swimmers.

**FACILITIES:** Sharon Country Day Camp is located on 30 acres of woodlands, nature trails, playing fields and a beautiful spring fed pond. The children have their own special facilities & play areas including a basketball court, soccer field, t ball area and playground. Their "home away from home" is a large spacious cabin, with screened picture windows & individual cubbies for their belongings. Adjacent to their cabin are picnic tables, for lunch & their mid afternoon ice cream break, in a lovely tree shaded area of the camp.

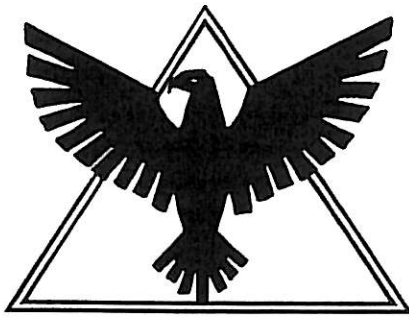

**STAFF:** We employ mature, qualified Unit Leaders & assistants who share a love of children & the ability to understand their needs. (Over 50% of our staff are former campers). They are with the children from the moment they arrive in camp until it is time to go home. Staff ratio is a minimum of 1 counselor to four campers. \*Registered Nurse available at all times.

Charlie Hershman, Owner/Director of Sharon Country Day Camp, & Rhonda Hershman Jermyn, Co-Director, are responsible for overall programming and supervision of Kiddie Camp.
